

## May/June 2010

### Congratulations!

You've made it to the end of another great school year! But before you put away your laptop, turn off your phone, disconnect and head for the beach, we'd like to share some of the great new things Kerpoof will be working on during summer vacation:

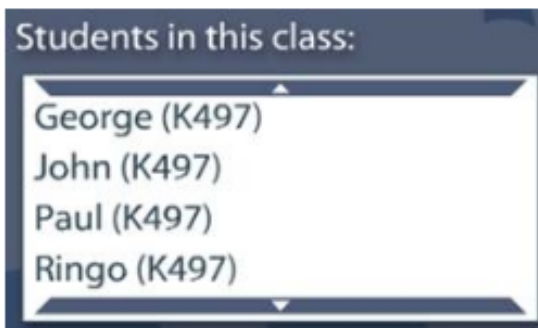

### Teacher Tools 2.0

A brand-new, improved suite of Teacher Tools will be debuting in late August, just in time for you to set up your classrooms for Fall 2010! Features we're currently working on include:

- The ability to send your students' accounts along to their new teachers every school year. With this tool, your students' Kerpoof portfolios will be preserved year to year and their student accounts can continue to be put to educational use!
- A feature that will allow you to condense the work of an entire classroom into an exportable, embeddable slideshow.
- An easier to use classroom grouping system.

What new features would you like to see in Teacher Tools 2.0? Send us an e-mail at [educators@kerpoof.com](mailto:educators@kerpoof.com). We can't wait to hear from you!

## Kerpoof Summer Pen-tacular!

It's the summer of pens on Kerpoof! We are rolling out one exclusive pen per week all summer long, so if you're a fan of Super Doodle make sure to check back often! Of course, creating pens takes a lot of creativity and imagination, so we're going to need a little help...

Students and at-home users can now be Kerpoof designers! All you have to do is save and share a Super Doodle explaining your vision for a new Kerpoof pen. You can draw an idea for a new pen, describe it in a text box, or do a combination of both. We'll give 1,000 Kerpoof Koins to the designers of our favorite entries, and a few may even be produced as actual Kerpoof pens! [So get designing!](#)

## Going to ISTE in Denver?

So are we! And we still have a few free passes to the exhibit hall. If you'd like one of them, just send an e-mail with your name and address to [educators@kerpoof.com](mailto:educators@kerpoof.com), and we'll send you your free pass. Then drop by booth #2567. We're looking forward to meeting you!

## Stay in Touch

Fan of Kerpoof? Make it official on [Facebook!](#) Facebook is a great place to share new content with educators (think Lesson Plans, tutorial videos...) and to let everyone know what's new on Kerpoof. We're also [twittering](#). Follow us, and join the dialogue!

As always, our goal is to provide rich and timely information about Kerpoof's free resources for educators. If you have colleagues who would be interested in receiving this newsletter, please feel free to forward it to them. If you have received a forwarded copy, you can sign up for your own free subscription by clicking [here](#).

For more information about how to use Kerpoof in the classroom, please visit [Kerpoof Scholastics](#). If you have any suggestions or comments, feel free to e-mail me at the address below.

Sincerely,

Alexandra Munck  
Education Manager
